FEATURES AND BENEFITS OF THE POLICY

The Policy is an insurance policy with the following significant features and benefits:

Accidental Damage Protection

If the insured Product suffers Accidental Damage, during the Period of Cover, We will repair or replace the Product subject to the applicable Excess, Policy terms and conditions. The decision to repair or replace the unit lies solely with Us and Lenovo. If the Product is repaired it may be repaired with new or used parts. Any replaced parts will have the same functionality as the original part/s. If Lenovo decides that the Product needs to be replaced, then We will provide a Replacement Product that may be new or reconditioned. The Replacement Product will have the same functionality as the original Product.

The maximum value of all Your Accidental Damage claims (net of Excesses) cannot exceed the Original Purchase Price of the Product. Where the damage is extensive and the replacement value of the Product exceeds the remaining Accidental Damage benefit available, We will payout the remaining benefit. In this instance Your cover ceases as the Policy has paid out the maximum benefit.

Theft Protection

If the insured Product is stolen from a secured office, home, school locker or locked vehicle where there is clear evidence of Violent and Forcible entry during the term of the cover and subject to the applicable Excess, Policy terms and conditions, then We will provide a Replacement Product. The Policy provides cover for one theft claim over the Period of Cover.

Use in Schools

This Policy does not provide Cover for Theft whilst the Product is within the premises of a kindergarten, primary or secondary school or any other educational facility unless the Product is stolen from a Secured Locker whilst the User is in attendance, with clear signs of Violent and Forcible Entry.
